**NOTE:** DC DMV Service Centers provide driver certification and identification services to District residents to ensure they have the proper credentials to drive or otherwise operate their vehicles legally. DC DMV also provides certification and inspection services to residents, businesses, and government entities so they may legally park, drive, and sell their vehicles in the District of Columbia. Through Adjudication Services, DC DMV processes parking, photo enforcement, and minor moving violation tickets and provides notices, hearings, and hearing support services for those individuals who receive tickets.
